Attached please find an invitation for participation in Biexpo exhibitions in Kyrgyzstan. Also attached is calendar of exhibitions and trade related events to be held in the Kyrgyz Republic in 2020. Biexpo is the leading organizer of international exhibitions related to construction, energy, medicine, dentistry, food industry etc. in the Kyrgyz Republic.

2. Geographical location of Kyrgyzstan offers many opportunities for trade with Pakistan as it is the shortest entry point of Pakistani products for the Eurasian Economic markets of 182-million people comprising Russia, Kyrgyzstan, Kazakhstan, Belarus, Azerbaijan and Armenia. Goods once exported to Kyrgyzstan can be further transported to the Eurasian markets without customs duties. Bilateral trade between Pakistan and Kyrgyzstan is US\$ 5 million per year which is insignificant considering the fact that Kyrgyzstan is almost a neighboring country of Pakistan.

3. During Ambassador's meetings with the Presidents of Islamabad and Rawalpindi Chambers of Commerce and Industry in December 2018, both Chambers had expressed their desires to send business delegations to Kyrgyzstan.

4. It would be appreciated if invitation for participation in the exhibitions organized by Biexpo is positively considered and a business delegation is sent to Kyrgyzstan for participation in one or two events. The detailed information about exhibitions, terms of participation can be reached at [www.biexpo.kg](http://www.biexpo.kg)

With profound regards
